EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Sean Kaufhold on 06-21-2005.

The application has been amended as follows:

In the claims:

Claim 10, line 11, delete "and"; and

Claim 10, line 14, after "housing" insert --; and a cover coupled to said housing and being selectively positionable in a closed position covering said top wall--.

2. The following is an examiner's statement of reasons for allowance: Regarding claim 1, Ordaz (US#6660227) discloses all of the limitations except for a cover coupled to the housing and being selectively positionable in a closed position covering the top wall. It would not have been obvious to one of ordinary skill in the art to modify Ordaz to include a cover coupled to the housing and selectively positionable in a closed position covering the top wall. Claims 9 and 10 include the above allowable subject matter and are therefore allowable for at least the same reason(s).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

3. Regarding the prior art of record, it is noted Felice et al. (US#2003/0136823) teaches it is known to provide a hinged door 26 for covering a portion of a mailbox housing including apertures and cooperating gloves 22 (paragraph[0027]).
